**West Conshohocken, Pennsylvania, April 1, 2008** - Cheswold Lane Asset Management, LLC, an institutional investment management firm specializing in international large cap value equities, has been selected as an advisor for the Northern Trust Global Advisors (NTGA) international multi-manager program.

“We are honored to be partnering with such a renowned and well respected firm as Northern Trust,” says Ms. Colleen Quinn Scharpf, President and COO of Cheswold Lane. “It is a tremendous vote of confidence for Cheswold Lane and will help us to accelerate our growth in the institutional marketplace.” With this initial assignment, Cheswold Lane’s assets under management will approximately double from year end 2007.
